### 2. Other documents you may receive

You may receive other documents in addition to this FSG when your Adviser provides you with personal financial advice or recommends a financial product.

#### Statement of Advice

Any advice that you receive from your Adviser which takes your personal objectives, financial situation and needs into account, will be presented to you in writing in your Statement of Advice (SoA), also referred to as your financial plan.

The SoA is an important document as it sets out what your Adviser is recommending and why it is suitable and appropriate for you. It will contain enough detail for you to make an informed decision about whether to act on the advice and will outline:

Your Adviser’s recommendations and the basis on which they are given.

- The costs of the advice and information about fees, commissions or other benefits that we, your Adviser or a related party may receive.
- Details of any relationships or associations that we or your Adviser may have with product providers or related parties.

#### Record of Advice

If your Adviser provides you with further personal advice, you may receive a Record of Advice (RoA). A RoA will be provided if your circumstances and basis of advice are not significantly different from the initial advice you received from your Adviser. Where your circumstances have significantly changed, any further personal advice that is provided to you will be documented in a SoA.

You may request a copy of the advice records that we keep. Any request must be made within seven (7) years of the provision of the advice, and should be directed to your Adviser.

#### Product Disclosure Statement

If your Adviser recommends a particular financial product or transacts on your behalf and at your request, you will receive a Product Disclosure Statement (PDS), or other relevant product disclosure material. The PDS contains important information about a particular financial product and will include its fees, features and risks, and will assist you in making an informed decision about that product.

### 3. Financial services and products we provide

We can provide personal financial advice, and transact on your behalf, in relation to the following types of financial products:

When it is appropriate, your Adviser may recommend a financial product from the Approved Product List, or depending on your objectives, financial situation and needs, your Adviser may need to recommend a financial product that is not on the Approved Product List. If this happens, any other product that your Adviser may recommend must meet our selection criteria and approval process.

## **Revenue, Adviser Service fees and Commissions**

## Revenue

Financial Wisdom may receive payments from certain product providers whose products I recommend. These payments are based on the level of investments by Financial Wisdom clients in those products or level of insurance premiums applicable.

## Adviser Service Fee

The Adviser Service Fee is a fee that you and I agree on for the service that I am to provide, and is payable to Financial Wisdom. Financial Wisdom may pass all or part of that fee on to me. Some products offer the option to deduct the Adviser Service Fee from your funds on a periodic basis.

## Direct Share Investments

I may charge you a fee over and above the brokerage fee charged by CommSec Adviser Services for trading shares. A management fee based on the value of your direct share investment may also be charged. These fees are optional and have no minimum or maximum.

## Intra-Fund Payments

Financial Wisdom may receive payments (including intra-fund advice fees and commissions) from the trustee of a superannuation fund with which it has entered into an intra-fund services agreement in respect of the intra-fund advice services provided to you. These payments may be paid periodically and Financial Wisdom may pass these payments on to me. Any intra-fund advice payments that Financial Wisdom or I receive are not an additional cost to you.

Under such agreements, my advice is restricted to providing general advice or factual information only. Where you require me to take your individual circumstances into account I can provide you with personal advice and this will be charged for by entering into a separate fee arrangement.

## Commissions

Financial Wisdom may receive initial or ongoing commission payments when you invest in a product or commence an insurance policy through me. Under this arrangement, Financial Wisdom may receive commission payments directly from product providers.

An initial commission is a one-off payment made upon entry to a financial product and an ongoing commission is paid each year for which a financial product is maintained.

Commission payments are based on a percentage of the funds you invest or the insurance premiums you pay. They are not paid directly by you and are instead deducted from the investment, superannuation, loan or insurance premium by the product provider and paid to Financial Wisdom.

## Investment and superannuation products

The initial commission that Financial Wisdom may receive on an investment or superannuation product can be up to 5.50% of the investment amount.

The ongoing commission that Financial Wisdom may receive can be up to 1.10% per annum of the investment amount.

Financial Wisdom only receives initial or ongoing commission payments on investment or superannuation products, where they are entitled to receive these payments through existing arrangements with product providers.

## Life insurance products

*Additional cover added to an existing product which was issued before 1 January 2018*

The initial commission that Financial Wisdom may receive on insurance products can be up to 135% of the first year's

premium. The ongoing commission that Financial Wisdom can receive may be up to 38.50% per annum of the renewal premium.

## *New products issued on or after 1 January 2018*

The initial commission that Financial Wisdom may receive on insurance products applied for and issued on or after 1 January 2018 will be no more than 80% of the premium in the year of issue. The ongoing commission that Financial Wisdom can receive will not exceed 20% per annum of the premium (33% per annum of the premium for level commission structures).

Any commission payments that Financial Wisdom or I receive are not an additional cost to you.

## Margin Lending

Financial Wisdom may receive commission payments on margin loans which are based on a percentage of the loan amount. This commission is paid on an annual basis and Financial Wisdom may pass this on to me. Financial Wisdom will only receive initial or ongoing commission payments on margin loans, or additional drawdowns to these products, where they are entitled to receive these payments through existing arrangements with product providers.

## 5. What Financial Wisdom pays me as your Adviser

### Fees and Commissions

Once Financial Wisdom receives payment for a service, it will pay me up to 100% of the fees and revenue that they receive.

The amounts that are paid to me and retained by Financial Wisdom will be disclosed in your SoA. If the amount is not calculated at the time your SoA is provided, the way the amount is calculated will instead be disclosed.

### Other benefits that may be received

Where permitted by law, Financial Wisdom may receive quarterly payments from product providers that are on the Financial Wisdom Approved Product List ('APL product providers'). Any payments that Financial Wisdom receives from APL product providers are based on the level of funds under administration. In relation to insurance Financial Wisdom may receive quarterly payments from Colonial Mutual Life Assurance Society Limited, trading as CommInsure, which are based on premiums in force as at 31 December 2017 and Financial Wisdom meeting policy lapse rate targets.

When received, these payments form part of a pool of funds that is maintained by Financial Wisdom. Financial Wisdom may pass on to me a share of these pooled payments as a short term incentive payment. However before they do I must meet certain performance measures.

Financial Wisdom will assess my performance against these measures and I will receive a score. This score is known as a Practice Quality score.

In order to qualify for a Short Term Incentive payment, both my Practice Quality Score and my business earnings must be above the minimum level set by Financial Wisdom.

If I qualify for a Short Term Incentive then the higher my Practice Quality Score above this minimum the higher my share of the pooled payments. Points are awarded for the quality of advice I provide to my clients and my business acumen but most points are available for factors such as my earnings and the size and growth of my practice.

Any payments that Financial Wisdom receives from APL product providers or which I may receive a share of, are not deducted from your investment or insurance premiums, nor are they an additional cost to you. The details of any revenue sharing arrangements which may apply to any products recommended to you will be set out in the SoA.

### **Referral payments**

If you were referred by another party, or if Financial Wisdom or I have referred you to someone else, Financial Wisdom or I may pay that referral party a fee or commission. Financial Wisdom or I may receive a referral fee in the event that we refer you to someone. Your SoA will disclose these referral payments and the amounts paid.

I pay Bankwest \$125 per quarter to refer customers with financial advice needs to me. Financial Wisdom pays an annual fee to Bankwest for the referral opportunity.

### **Partners in Education**

Financial Wisdom may receive sponsorship payments from a number of product providers which are in no way linked to volume of sales. Financial Wisdom offers various package arrangements where product providers can partner with Financial Wisdom to provide education and training services for their Advisers. For a full list of all current partners, please visit [www.financialwisdom.com.au](http://www.financialwisdom.com.au)

### **Other benefits that I may receive**

From time to time, I may be entitled to receive the benefits outlined below. These other benefits are not an additional cost to you:

- Educational conferences and seminars: these are arranged by Financial Wisdom and attendance may be fully or partially subsidised by Financial Wisdom.
- Non-monetary benefits: these may include business lunches, tickets to sporting and cultural events, promotional merchandise or other minor benefits from Financial Wisdom or product providers.
- I may also have access to a Business Valuation Package offered by Financial Wisdom. This is subject to certain conditions and any amount paid by Financial Wisdom depends on factors such as compliance history and financial performance.

These benefits are discretionary in nature and relate to future events. It is therefore not possible to provide an estimated dollar value on these benefits at this point in time.

Any other benefits that Financial Wisdom or I may receive will only be accepted to a value of less than \$300 per provider per year. If other benefits over this limit are received, they will be declined or if delivery has already been made, they will be disposed of. In the instance that a benefit has been received and needs to be disposed of, that benefit will be passed on to charity or disposed of by other means.

Financial Wisdom maintains a public register of all other benefits they receive. Financial Wisdom also maintains a Conflicts of Interest register for circumstances where some or all of your interests may be inconsistent or diverge from some or all of my interests or those of Financial Wisdom. If you would like to see a copy of these registers, you can contact Financial Wisdom.
