FEES AND COMMISSIONS PAID TO AFFINIA

Initial commissions paid to Affinia

Affinia may receive initial commission from the product providers if you decide to purchase a product I recommend. The amount of initial commission is calculated as a percentage of the premium paid by you. The commission is paid by the Insurer when you purchase the insurance.

Initial commissions, where permitted by law, are calculated as follows:

- Life Insurance risk products: between 0% - 66% (GST inclusive) of the premium that you pay.

Ongoing commissions paid to Affinia

Ongoing commissions may be paid regularly by the product provider for the length of time that you hold the product. They are usually paid to Affinia by the product provider out of the revenue the product provider earns.

Ongoing commissions, where permitted by law, are calculated as follows:

- Life Insurance risk products: between 0% and 22% (GST inclusive) of the renewal premium. For level commission arrangements this will be up to 30% (GST inclusive) of the renewal premium.

For example, if an insurance product is recommended and you pay a premium of \$500, then the total “upfront” commission paid by the product issuer to Affinia will be between \$0 and \$330. Thereafter, the “ongoing” commission paid to Affinia will be between \$0 and \$110 (assuming upfront commission arrangements and there is no change to the premium you pay in subsequent years).

Fees and Charges

Fees may be charged for the services I provide. These fees will be agreed upon and confirmed to you prior to any service provided. The way that fees are charged will depend on the type of arrangement you have in place with me. The arrangement we have will either be an ongoing fee arrangement or an annual service arrangement. Current fees and charges (GST inclusive) are:

Advice Preparation Fees

Fees for the preparation of your advice may range from \$550 to \$11,000 depending on the complexity of your situation.

Advice Implementation Fees

Fees for the implementation of your advice may be a set fee between \$550 and \$11,000.

Alternatively, our implementation fee can be calculated as a percentage of your total portfolio ranging between 0.55% and 1.10%.

Ongoing Advice or Annual Service Fees

If you are on an ongoing fee arrangement, the fee for your ongoing service may be:

- a fixed Advisory Fee between \$660 and \$19,800 per annum which may be deducted from your investment account or invoiced to you directly; and/or
- a Portfolio Management Fee that is calculated as a percentage of your total portfolio between 0.55%pa and 1.10%pa which may be deducted from your investment account or invoiced to you directly.

If you have an annual service arrangement, service fees may be :

- a fixed Advisory Fee of between \$660 and \$19,800 per annum payable in one lump sum or in instalments; and/or
- a Portfolio Management Fee calculated as a percentage of your total funds under advice between 0.55%pa and 1.10%pa payable in one lump sum or in instalments: or
- a fee calculated at an hourly rate based on the time we have spent providing services to you.

The exact amounts of fees and charges and initial and ongoing commissions for the products you have purchased as a result of my recommendation to you will be detailed in your Statement of Advice.

How my associates and I are remunerated

When Affinia receives either a fee or an initial or ongoing commission as a result of a recommendation I have made to you, Brinleigh Pty Limited is paid 100% of the commission and fees paid to Affinia.

I am a Director and shareholder of Brinleigh Pty Limited which pays me either a salary, dividends and bonuses from the commissions and fees received.
